**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, Zach Wimer, being duly sworn, hereby depose and
state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the U.S. Department of
Homeland Security, Homeland Security Investigations (HSI).
I am presently employed by HSI and have been so employed
since July 2010. Prior to that, I was a Special Agent with
the United States Secret Service from 2006 to 2010, and a
Deputy Sheriff with the Dodge and Douglas County, Nebraska,
Sheriff's Departments from 1998 to 2006.

2. I have received training pertaining to drug
trafficking, money laundering, and electronic and physical
surveillance procedures at the Federal Law Enforcement
Training Center in Glynco, Georgia. I have been involved
in investigations dealing with the possession,
distribution, and importation of controlled substances, as

well as bulk currency smuggling investigations. Through these investigations, my training and experience, and conversations with other agents and law enforcement personnel, I have become familiar with the methods used by drug traffickers to smuggle, safeguard, and distribute narcotics.

BASIS FOR FACTS SET FORTH IN AFFIDAVIT

3. I am familiar with the facts and circumstances described herein and make this affidavit based upon personal knowledge derived from my participation in this investigation. Conclusions I have reached are based on my training, experience, and upon information I believe to be reliable from the following sources:

a. Oral and written reports about this and other investigations, which I have received from federal agents and local law enforcement officers;

b. Physical surveillance conducted by federal agents and local law enforcement officers, the details of which have been reported to me either directly or indirectly; and

c. Law enforcement databases.

4. Unless otherwise noted, when I assert that a statement was made, I received the information from a law enforcement officer who provided the information to me,

either verbally or in a written report. The officer had personal knowledge of the information or received it from another source.

PURPOSE OF AFFIDAVIT

5. This affidavit is made in support of an application for search warrants to be executed on I-80 Self Storage, unit #A93 and unit #A59, located at 1930 Fletcher Avenue, Lincoln, NE (hereinafter "**Subject Premises 1**").

Subject Premises 1 is further described in Attachment **A**.

6. Based upon the facts stated herein, I have reason to believe that **Subject Premises 1** contains evidence, instrumentalities, and fruits of violations of the following offenses:

a. Manufacturing, distributing, and/or possessing with intent to distribute controlled substances, in violation of 21 U.S.C. § 841(a)(1), to wit, Marijuana, a Schedule I Controlled Substance;

b. Conspiracy to possess with intent to distribute, and to distribute, controlled substances, in violation of 21 U.S.C. § 846;

c. Money laundering in violation of 18 U.S.C. §1956 and/or §1957.

STATEMENT OF PROBABLE CAUSE

7. In October 2016, I obtained information that Marvell FIELDS had made several cash deposits to banks in Lincoln, Nebraska. The cash deposits were suspicious in the fact that they had an odor of marijuana. The deposits were also consistent with money laundering or structuring (multiple same-day cash deposits in different branch locations, large cash deposits under \$10,000).

8. On October 25, 2016, I conducted a query of the Nebraska Criminal Justice Information System (NCJIS) for Marvell FIELDS. I located a Nebraska driver's license (H12987812) in the name of Marvell FIELDS that listed an address of 8200 Cheney Ridge Road #401, Lincoln, Nebraska. I also located a white, 2015 Dodge Durango, VIN 1C4RDJEG9FC817787, Nebraska license plates TZN894 and registered to Marvell FIELDS at 8200 Cheney Ridge Road #401, Lincoln, Nebraska (hereinafter the TARGET VEHICLE).

9. On October 25, 2016, I conducted open internet queries of Marvell FIELDS. I located an active Limited Liability Company account through the Nebraska Secretary of State in the name of Undergrind Musik LLC. The account lists the principal office address for Undergrind Musik LLC as 8200 Cheney Ridge Road #401, PO Box 83249, Lincoln, Nebraska. The Nebraska Secretary of State also lists

Undergrind Musik LLC as a contact for an inactive tradename for Snifflock. An open internet search of Snifflock revealed a website Snifflock.com. On the aforementioned website, Snifflock bags are described as the all-purpose, odor proof, heavy-duty, airtight double seal, lead proof, waterproof, and bug proof storage bag.

10. On October 27, 2016, I received information from Lancaster County Sheriff's Deputy Jason Mayo. Deputy Mayo, who served on a drug task force in the Lincoln, Nebraska, area for several years, identified Marvell FIELDS as an individual known to him as being involved in the distribution of marijuana in the Lincoln area.

11. On November 3, 2016, I conducted surveillance of 8200 Cheney Ridge Road #401, Lincoln, Nebraska. This address is within the Flats at 84 apartment complex. I observed the TARGET VEHICLE parked outside of building located at 8200 Cheney Ridge Road, Lincoln, Nebraska.

12. On November 4, 2016, I received reports from the Arizona Department of Public Safety (DPS) documenting the arrest of Stina Vongphakdy. On March 23, 2013, Vongphakdy was stopped for a traffic violation on Interstate 40 near Flagstaff, Arizona. Vongphakdy, the driver and lone occupant, was driving a vehicle rented by Marvell FIELDS, whom she identified during the traffic stop as her

boyfriend. After observing several indicators of criminal activity, the DPS Officer conducted a probable cause search of the rental car. During the search of the vehicle, DPS located approximately 266 pounds of marijuana hidden under a blanket in the rear cargo area. The bundles of marijuana were packaged in large clear plastic bags marked "Original Space Bag". Vongphakdy was arrested and later provided a post-Miranda interview in which she stated that she was driving the marijuana to an unknown location in Lincoln, Nebraska.

13. On November 7, 2016, I received reports from the Yavapai County Sheriff's Department (AZ), detailing the seizure of \$158,211 from Marvell FIELDS. The reports indicate that on January 26, 2011, Marvell FIELDS was stopped on Interstate 17 in Yavapai County, Arizona, by a Yavapai County Sheriff's Deputy. FIELDS was driving a 2007 Dodge Charger bearing Nebraska license plates RNB301 and registered to Marvell FIELDS at 2505 Evans Street, Omaha, Nebraska. During the course of the traffic stop, the Yavapai County Sheriff's Deputy noted indicators of criminal activity and was granted permission to search the vehicle by FIELDS. During the subsequent search, the Yavapai County Sheriff's Deputy located several bundles of US currency that totaled \$158,211, hidden in a natural void

of the trunk and in different parts of the engine compartment. The bundles consisted of vacuum sealed bags that were wrapped in plastic and then black electrical tape. The Yavapai County Sheriff's Deputy also noted that, during the wrapping process, the bundles were soaked in a WD40 type masking odor.

14. On December 1, 2016, I conducted a NCJIS Nebraska Wage Information query of FIELDS SSN 508-13-5305. The NCJIS Nebraska Wage Information queries Nebraska employers whom report quarterly earned wages and unemployment taxes paid for all of their Nebraska employees. The query of FIELDS SSN did not show any wages earned in Nebraska.

15. On December 13, 2016, HSI Omaha conducted surveillance on FIELDS, starting at his place of residence, 8200 Cheney Ridge Road, Lincoln, Nebraska. During the aforementioned surveillance, the TARGET VEHICLE, driven by FIELDS, was observed driving in a manner consistent with counter-surveillance. The counter-surveillance consisted of the TARGET VEHICLE weaving in and out of heavy traffic, driving at speeds above the posted speed limit, taking a non-direct route, and proceeding through yellow traffic signals just prior to the signals changing to red.

16. During the surveillance, HSI Omaha agents observed FIELDS met with an individual, later identified as Samuel STARKEY, at STARKEY's place of residence 8610 Lexington Avenue, Lincoln, Nebraska. FIELDS and STARKEY were observed sitting in the TARGET VEHICLE outside of the apartment building. Both individuals remained inside the TARGET VEHICLE for approximately 25 minutes before they departed in the TARGET VEHICLE.

17. On December 14, 2016, I returned to the Lexington Avenue address and observed a white Dodge Charger bearing Nebraska license plates TSN044. A NCJIS query of Nebraska license plates TSN044 showed that they are registered on a white, 2014 Dodge Charger to a Samuel STARKEY at 8610 Lexington Avenue #124, Lincoln, Nebraska. I then queried STARKEY's Nebraska driver's license photo through NCJIS and found it to match the individual I had observed with FIELDS on December 13, 2016.

18. Continuing on December 14, 2016, I conducted further queries of STARKEY's criminal history through NCJIS. The results showed that STARKEY is currently serving a two (2) year sentence of probation through the State of Nebraska after being convicted of Nebraska State Statute 28-416(1)(2)(B), Deliver or with Intent to Deliver a Schedule 1, 2, 3, drug. Further investigation showed

that STARKEY was convicted after being found in possession of approximately 1.1 pounds of marijuana.

19. On January 4, 2017, the Honorable F.A. Gossett, III, U.S. Magistrate Judge signed court order 8:16MJ442 authorizing the installation of a GPS tracking device on the TARGET VEHICLE. On January 5, 2017, HSI Omaha Special Agents affixed the tracking device to FIELDS' vehicle.

20. On January 10, 2017, while monitoring the GPS tracker and conducting physical surveillance, I observed FIELDS, while driving the TARGET VEHICLE, enter **Subject Premises 1**. FIELDS remained at **Subject Premises 1** for approximately four (4) minutes before departing. On the same date, I reviewed the security camera footage of FIELDS' visit. FIELDS was observed entering the facility while carrying what appeared to be a brown leather-style briefcase. FIELDS was observed accessing unit #A93 and then departing without the aforementioned briefcase. As FIELDS exited the facility, his left hand remained inside his coat pocket.

21. Continuing on January 10, 2017, I-80 Self Storage management identified the leaser of unit #A93 and unit #A59 as Paige Richardson. Within the rental application, FIELDS was listed as an alternate contact for both units. The rent on both unit #A93 and unit #A59 are paid in three

month increments. The most recent payment for both units was made on December 7, 2016, and time stamped as 3:05 PM. I reviewed the security camera footage from December 7, 2016, at 3:05 PM and observed FIELDS at the main customer counter conducting what appeared to be a payment transaction.

22. On February 7, 2017, I conducted surveillance on FIELDS and the TARGET VEHICLE through a combination of visual and electronic surveillance. At approximately 1000 hours, FIELDS, while driving the TARGET VEHICLE, arrived at Subject Premises 1. I later reviewed the security camera footage and observed FIELDS access Unit #A93 and depart with a large, black roller-style suitcase. Approximately 7 minutes later, FIELDS departed Subject Premises 1 in the TARGET VEHICLE. As FIELDS drove from Subject Premises 1 to STARKEY's residence, 8610 Lexington Avenue, Lincoln, Nebraska, I observed FIELDS drive in a manner consistent with counter-surveillance. FIELDS exited the main roadway and drove in a route similar to a square before re-entering the main roadway.

23. At approximately 1024 hours, FIELDS arrived at STARKEY's residence. FIELDS remained at STARKEY's residence until approximately 1106 hours. At that time, FIELDS departed and returned to his residence, 8200 Cheney

Ridge Road, Lincoln, Nebraska. FIELDS remained at his residence until departing at approximately 1302 hours. From his residence, FIELDS traveled back to Subject Premises 1. I again reviewed the security footage from Subject Premises 1 and observed FIELDS return what appeared to the same large, black roller-style suitcase to Unit #93. I also observed FIELDS to be carrying a small cardboard box under his arm. A short time later, FIELDS reappears while carrying a light colored camouflage backpack as he departs Subject Premises 1.

24. After departing Subject Premises 1 with the aforementioned backpack, FIELDS returned to STARKEY's residence. I observed FIELDS arrive and park in the parking lot near the entrance to STARKEY's apartment building. After approximately 10 minutes, I observed STARKEY pull into the parking lot and park near FIELDS. STARKEY exited his vehicle and as he stood on the sidewalk leading to the apartment building, he motioned for FIELDS to come inside. FIELDS then exited the TARGET VEHICLE carrying what appeared to be the same backpack as he was seen carrying out of Subject Premises 1. Both FIELDS and STARKEY then entered the residence. After approximately 20 minutes, FIELDS emerged from the apartment first carrying

what appeared to be a small box under his right arm.

FIELDS then entered and departed in the TARGET VEHICLE.

25. Based on my training and experience conducting drug trafficking and money laundering investigations, and the patterns described above, I believe that FIELDS brought drugs or drug proceeds to STARKEY, conducted an illicit transaction, and ultimately returned the drugs/proceeds to **Subject Premises 1**.

26. Continuing on February 7, 2017, I contacted Shannon Fisher, Property Manager of the Lexington Ridge Apartments. STARKEY's residence, 8610 Lexington Avenue #124, is located within the Lexington Ridge Apartment complex. Fisher stated that they have received multiple complaints from residents of 8610 Lexington Avenue concerning the odor of marijuana in the building although they have not been able to determine exact of source of the odor.

27. On February 8, 2017, I requested the assistance of Lancaster County Sheriff's Office (LSO) K-9 Deputy Jason Henkel. With the permission of I-80 Self Storage, Deputy Henkel was requested to deploy his Police Service Dog (PSD) Sacha to conduct a free air sniff of **Subject Premises 1**. PSD Sacha alerted and indicated to the odor of narcotics at **Subject Premises 1**, and specifically, unit #A59 and unit

#A93. On unit #A59, PSD Sacha alerted and indicated near the bottom seam located below the handle. On unit #A93, PSD Sacha alerted and indicated near the west side of the door. Unit #A93 is located near an entrance and does not have an adjoining unit on its west side. PSD Sacha has been trained and certified to detect the odors of marijuana, methamphetamine, heroin, and cocaine since 2012.

CHARACTERISTICS OF DRUG TRAFFICKERS/MONEY LAUNDERERS

28. Based on my training and experience I know the following:

a. Drug traffickers often maintain accounting of their drug sales, through books, records, customer lists, receipts, notes, ledgers and other papers relating to the transportation, ordering, sales and distribution of controlled substances and equipment, even though such documents may be in code. These books, records, receipts, notes, and ledgers are commonly maintained where the drug traffickers have ready access to them, for example in their homes, offices, and automobiles. Evidence of financial transactions relating to obtaining, transferring, secreting, or spending large sums of money made from engaging in drug trafficking activities and other criminal activities are also stored in the residences, offices, garages, storage buildings, automobiles, and safe deposit

boxes maintained by drug dealers.

b. Drug traffickers may rent storage lockers to store controlled substances and the traffickers often have in their immediate possession or in their residences, keys, receipts, and other documents evidencing the rental of said storage lockers.

c. Drug traffickers commonly maintain in their residences or storage units, addresses or telephone numbers in books or papers that reflect names, addresses, and/or telephone numbers of their criminal associates in the drug trafficking organization, and sometimes these address books are kept in code.

d. Drug traffickers frequently continue their criminal activity over months and even years. The traffickers typically will obtain and distribute controlled substances on a regular basis, and will also have an "inventory" which will fluctuate in size depending on the demand for the product.

e. Persons involved in drug trafficking organizations and gangs often conceal at their residences, storage units, or in vehicles, caches of drugs, drug paraphernalia, amounts of jewelry, automobile titles, financial documents, and other items of value and/or proceeds of drug transactions and evidence of financial

transactions relating to obtaining, transferring, secreting or spending large sums of money acquired from engaging in drug trafficking and other criminal activities.

f. When drug traffickers amass large quantities of cash from the sale of drugs, the drug traffickers often attempt to legitimize these profits through the use of banks and financial institutions and their attendant services that include accounts, securities, traveler's checks, cashier's checks, money orders, wire transfers, stock certificates, bonds, certificates of deposit, and safety deposit boxes. Drug traffickers also launder money obtained from illegal drug transactions through legitimate businesses. Traffickers who are involved in such money laundering often structure financial transactions to avoid reporting requirements, and often keep records of their activities and financial transactions. However, to escape detection they mix and intermingle those records with records of lawful transactions, and that, in such instances, it is necessary to analyze the entire record to isolate the records of unlawful transactions, and not feasible to extract the records of unlawful activities without such analysis.

g. Drug traffickers often place assets in names of relatives and close friends in order to avoid detection

of those assets by law enforcement agencies; and that even though these assets are in other persons' names, the drug dealers retain records, documents, and deeds reflecting the purchase of those assets while continuing to use those assets and exercise dominion and control over them.

h. It is common practice for drug traffickers to travel distances to purchase the drugs to facilitate their own drug distribution, including crossing international borders to obtain drugs or return with them. Evidence of these travels can be probative of a drug dealer's involvement in the distribution of narcotics.

ITEMS TO BE SEIZED

The items to be seized are evidence, fruits and instrumentalities of violations of Title 18 United States Code 1956, Money Laundering, Title 21 United States Code, Section 841(a)(1), Possession with Intent to Distribute a Controlled Substance, to wit, Cocaine, Marijuana, or Methamphetamine, and Section 846, Conspiracy to Possess with Intent to Distribute, Cocaine, Marijuana, or Methamphetamine

specifically:

- a. Marijuana;
- b. Methamphetamine;
- c. Cocaine;

- d. Items of personal property tending to establish the origin of the item listed above, including bills, receipts, ledgers, maps, business cards, catalogues, pamphlets, flyers, letters, telephone bills, address books, business cards, rolodexes, photographs, videos, and documents reflecting communications regarding illegal distribution of methamphetamine;
- e. Books, records, receipts, account receivables and payables, notes, ledgers and other papers relating to the distribution of controlled substances transfers, and cashier's checks relating to the payment, receipt, concealment, transfer, or movement of assets;
- f. Items of personal property which tend to identify the person(s) in control, possession, and ownership of the property that is the subject of this application, limited to personal telephone books, address books, telephone bills, and other items reflecting names, addresses, telephone numbers that document association among and between the targets and associates involved in drug trafficking;
- g. Cash and currency in amounts greater than \$500;
- h. Paraphernalia for manufacturing, distributing, packaging, and weighing of methamphetamine,

including scales, measuring devices and packaging materials;

29. Based on the foregoing facts and my training, experience, and conversations with other law enforcement officers, I conclude that there is probable cause to believe that the fruits, evidence and instrumentalities of violations of Title 18 United States Code 1956, Title 21, United States Code, Section 841(a)(1), and Section 846 will be found at **Subject Premises 1**.

30. It is requested that the Warrant and accompanying affidavit and application in support thereof, as they reveal an ongoing investigation, be sealed until further order of the Court in order to avoid premature disclosure of the investigation, guard against the flight of fugitives, and better ensure the safety of agents and others, except that copies of the Warrant in full or redacted form may be maintained by the United States Attorney's Office, and may be served by Special Agents and other investigative and law enforcement officers of the State of Nebraska, federally deputized state and local law enforcement officers, and other government and contract personnel acting under the supervision of such investigative or law enforcement officers, as necessary to effectuate the Warrant.

31. In accordance with 18 U.S.C. 3103a(b) and Federal Rule of Criminal Procedure 41(f)(3), your Affiant requests that the Court delay notification of the execution of the search warrant, because there is reasonable cause to believe that providing immediate notification would seriously jeopardize the investigation.

If notice of this warrant were served on the users or registered owners of the **Subject Premises 1** at the time of execution, it could result in flight from prosecution of organization participants, destruction of evidence or otherwise seriously jeopardize this ongoing investigation.

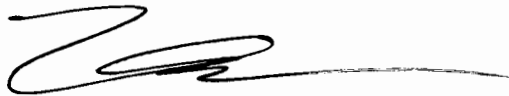

To ensure the safety of the executing Agent(s) and/or Officer(s) and to avoid premature disclosure of the investigation, it is requested that the court authorize warrant service during both daytime and nighttime hours. Due to the close proximity of other businesses and during normal awake hours for organization members the execution during nighttime hours is most desirable.

REQUEST FOR SEALING

32. I request that the Court order that all papers in support of this application, including the affidavit and search warrant, be sealed until further order of the Court. These documents discuss an ongoing criminal investigation that is neither public nor known to all of the targets of

the investigation. Accordingly, there is good cause to seal these documents because their premature disclosure would jeopardize the investigation.

WHEREFORE, Your Affiant respectfully requests that the Court issue a search warrant authorizing members of HSI or their authorized representatives, including but not limited to other law enforcement agents assisting in the above-described investigation, conduct a search warrant at **Subject Premises 1**, inside District of Nebraska.
